
EMERGENCY SERVICE

EMERGENCY SERVICE

VISION

Development of safer communities through an effective system for management and prevention of emergencies such as road traffic accidents, hazardous material incidents, buildings collapse, explosions, fires and disasters.

OBJECTIVES

- Establishment of a system for emergency preparedness, response and prevention.
- Development of a safer community through proactive approach towards emergency management, community awareness and training.
- To have positive socio-economic impact on the society by reducing disabilities and deaths due to injuries.

➤ STRATEGIC INTERVENTIONS

- The Government of Punjab instead of making haphazard interventions has established modern pre-hospital emergency management infrastructure in 35 districts of Punjab including Murree city.
- Prior to the expansion of Rescue 1122 project, the results of third party evaluation reveal this project to be exemplary in terms of training, quality care, response and professionalism.
- As a result of the establishment of Punjab Emergency Service (Rescue 1122) in all districts of Punjab, a comprehensive Emergency Management and Disaster Response infrastructure has been established with trained Emergency Medical, Rescue & Fire Services along with Community & Disaster Emergency Response Teams for the first time in Punjab.
- The sustainability of the Emergency Services Reforms has been ensured through the enactment of Punjab Emergency Service Act, 2006 unanimously passed by the Punjab Assembly which clearly defined the role, functions and responsibilities of the Rescue 1122 Service thus establishing an effective system for emergency preparedness, response and prevention in Punjab.

- The Punjab Emergency Council and District Emergency Boards have also been established by the Government for monitoring the management of emergencies, improving coordination amongst concerned departments and recommending appropriate measures for the prevention of emergencies.
- The sustainable Human Resource Development has been ensured through the establishment of Emergency Services Academy of international standards for continuous human resource development.

➤ **New Initiatives**

- The Rescue 1122 Service shall be established in the newly created District Chiniot to maintain uniformity in the expansion of the Service at district level.
- Expansion of Rescue 1122 model in all tehsils has been approved under the project (Phase-I) 12 tehsils are to be taken up during 2010-11.
- The security of Emergency Rescue Stations shall also be ensured through necessary provisions.
