#### **VISION**

To promote and facilitate mines and minerals development and exploration in Punjab to attract foreign and local investment in this sector, thereby enhancing the contribution of mines and minerals in the Provincial GDP.

### **POLICY**

- To expand mining sector by focusing on discovery and exploration of new mineral resources;
- To enhance public sector investment for exploration/resource mapping and development of geological-database for minerals;
- To further strengthen government's role as a facilitator to create enabling environment for the prospective investors in mines and mineral sector;
- To encourage and support exploitation of minerals, particularly through private sector;
- To promote environment-friendly mining practices and to take measures for mitigation of environmental hazards of mining for sustainable development of mineral sector;
- To develop schemes for welfare and safety of mine workers;
- Provide internationally competitive regulatory framework mining concession rules and restructuring of the institutional arrangements for administration in the light of practices followed in developed countries.

### **STRATEGIC INTERVENTIONS**

- Implementation of National Mineral Policy 1995;
- Techno-economic feasibility study for mine development of Chiniot iron ore and its industrial utilization;
- Exploration and evaluation of iron ore deposits discovered near Rajoa, District Jhang;
- Prospecting and exploration of coal deposits in Central Salt Range;
- Assessment & Rehabilitation of areas affected due to salt mining in Salt Range; Jhelum and Khushab Districts;
- Strengthening and up-gradation of rescue and safety stations and training centers for mine workers;
- Mine workers welfare schemes, provision of medical care facilities.
